
SDF gets green signal

Statesman Report

ISLAMABAD: Sports Development Foundation (SDF) the first ever non political sports NGO has been registered with security and exchange commission of Pakistan under section 32 of 1984 companies act.

SDF is an initiative taken by a group of social scientists and educationist headed by Aamir Bilal who has deep association with Sports Management and media relations at national and international level.

SDF has clear objectives of promoting & strengthening "Sports Education" and "Community Based Sports Club" activities at grass roots and the organization by no means is duplicating the role of PSB, POA, PST or any sports federation in the country. SDF will soon launch its web site and introductory material and start its operations in one of the districts as its pilot project.
